## **Pacific Project Management Hires Don Schulz - COO**

**Seattle, WA** - Pacific Project Management (PPM) is pleased to announce and welcome Don Schulz as the Company's Chief Operating Officer. Don is a results-oriented executive and is responsible for leading the business & service line delivery in support of national operations.

Don joins PPM with over 25 years of experience working in senior leadership roles for Global Commercial Real Estate Service Providers. A leader with strong analytical, communication and collaboration skills, he has built his career on delivering results through large scale initiatives and teams, leveraging his deep expertise in operations, program management and project management working across a wide variety of industries.

"I am excited to have Don on the team, his breadth of experience and diverse background enable us to strengthen our focus on our employees and clients across the country said Clark Lindsay, CEO at PPM, over the past few months with Don onboard, his focused attention has already had a positive impact on our company and our clients as we all navigate these challenging times."

Don earned his Bachelor's degree at Notre Dame University and his MBA in Finance from the University of Illinois in Chicago. Uniquely Don also brings critical environment and operational engineering experience having served early in his career as a Nuclear Engineering Officer in the US Navy. Don will be based in our Seattle office.

### **About PPM**

Pacific Program Management (PPM) is a commercial real estate program management firm that partners with businesses to create, implement and operationalize workplace strategies. Headquartered in Seattle with locations across the nation, PPM's extensive experience and collaborative approach deliver complete solutions for their clients. PPM offers three core services including Workplace Consulting, Capital Project Management, and Transition and Relocation Services.
